**ADMINISTRATIVE LAW JUDGE'S RULING
GRANTING PETITION TO INTERVENE**

On June 17, 2004, Environment California (EC) filed a petition to intervene. EC represents that it is a non-profit, membership organization that is dedicated to protecting the air, water, and open spaces in California. Two areas of particular focus are coastal areas, and renewable energy resources. EC contends that its members will be affected by the outcome of this proceeding. EC says that it will participate jointly with San Louis Obispo Mothers for Peace, Sierra Club, Public Citizen, and Greenpeace. It also represents that its intervention will not result in duplicative or additional filings, and will enhance the participation of the above parties. Since EC's members' interests may be affected by the outcome of this proceeding, its petition to intervene is unopposed, and it plans to participate jointly with the above parties utilizing the same counsel, I will grant its petition.

The granting of this petition does not grant EC eligibility to claim intervenor compensation.

Therefore, **IT IS RULED** that the petition to intervene filed by Environment California is granted.

Dated July 9, 2004, at San Francisco, California.
